EBSCO*host* User Guide

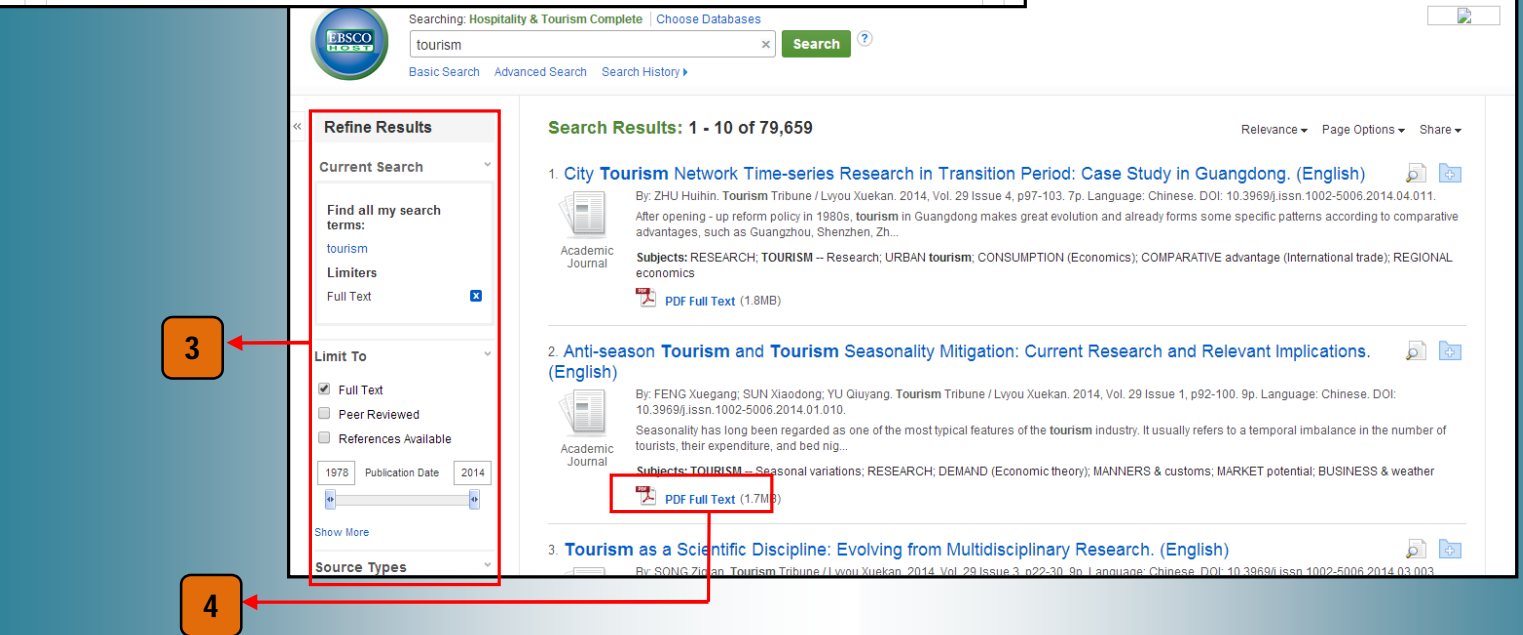

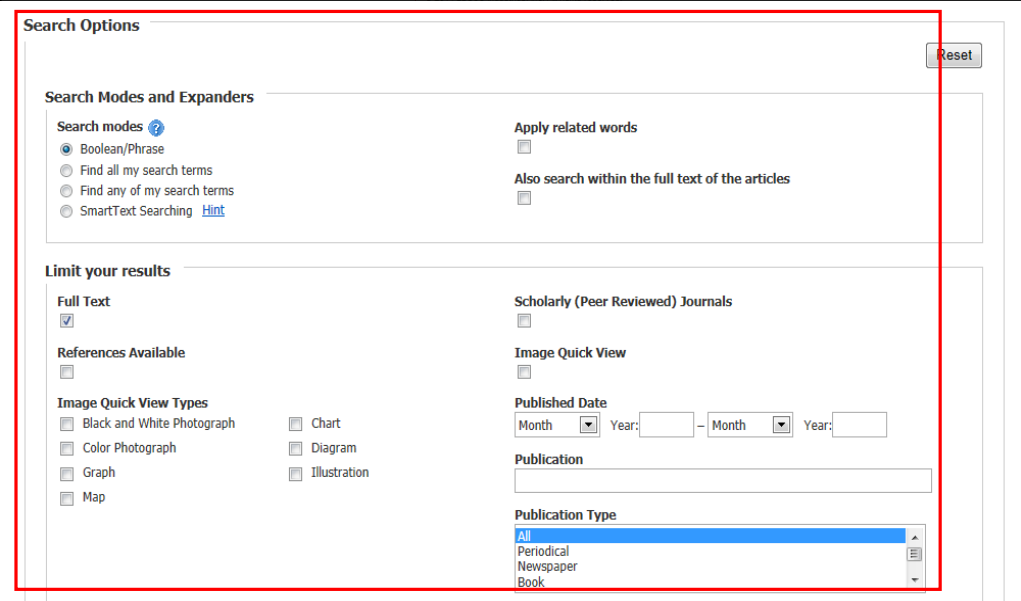

1. Begin by conducting a **Basic Search**. Enter your search terms and click **Search**.

2. Or you can view available limiters and expanders by clicking on **Search Options**.

- Under the **Search Options**, it is easy to limit or expand your search results.

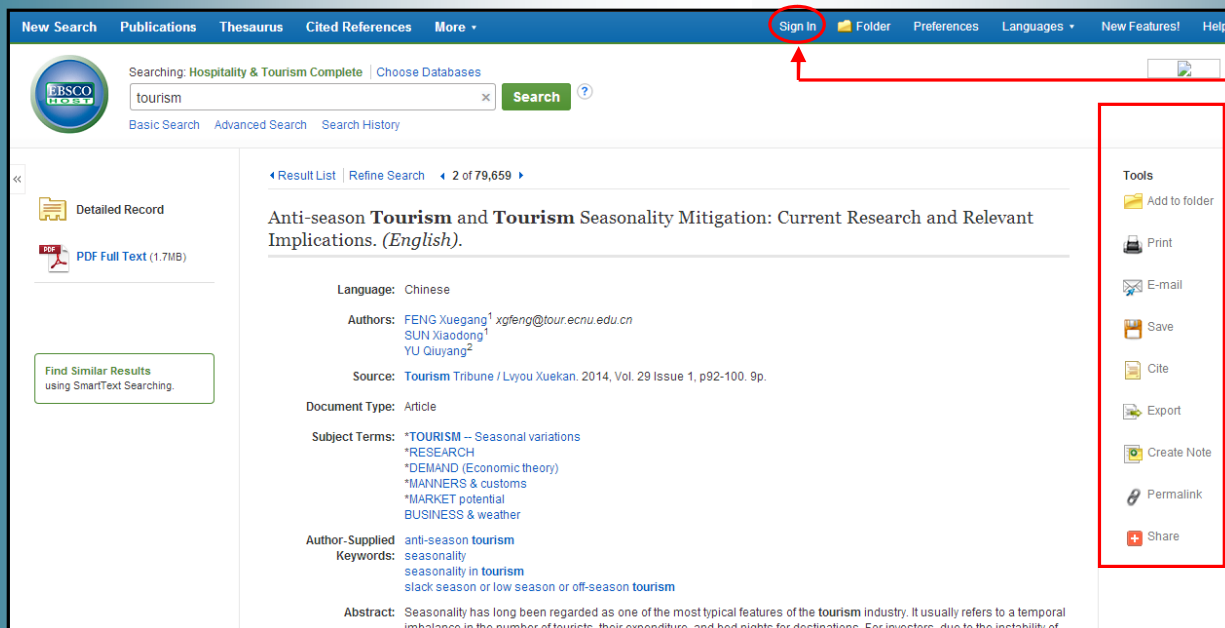

- You can choose from one of the available **Search Modes** and depending upon the databases you have chosen, you may see the ability to limit a search by **Full Text articles**, **Scholarly (Peer Reviewed) Journals**, or a particular publication that you enter in the field provided.

- After applying limiters and expanders, click **Search**.

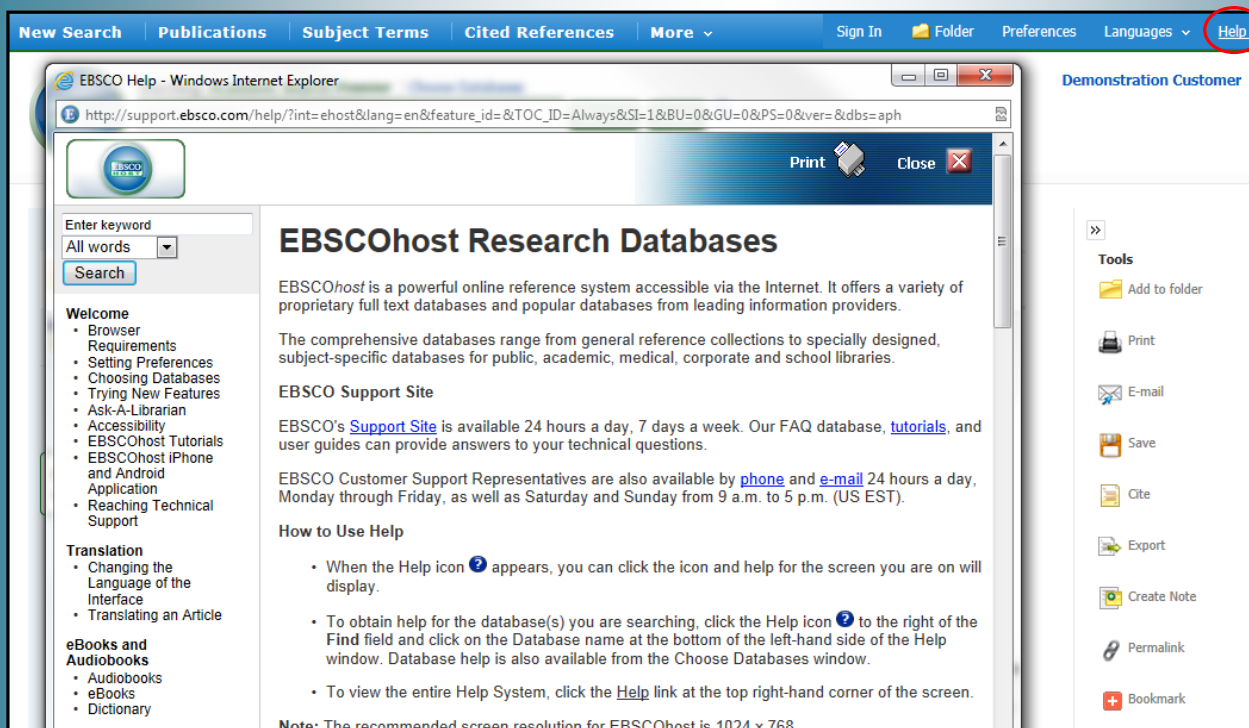

3. A Result List is displayed and defaults to showing All Results. It is easy to limit your results using the limiters on the left. The Result List can also be filtered to view results by source type, such as Academic Journals, Magazines, or Newspapers, by clicking the checkboxes next to the desired source type.

4. To view the fulltext of the article, you can click on the **PDF Full Text** and you can download a PDF version of the article, or you can click on the **title hyperlink** for the HTML version of the article

5. You can print, email, save, cite or export a single result from the Detailed Record when you click on an article title link.
- To print, email, save, cite or export multiple results, add them to the folder, then click the appropriate icon inside the folder.
  - Folder contents can be permanently saved by clicking on the **Sign In** link, and then setting up a personalized My EBSCOhost folder account at no charge.

6. At any time, click the **Help** link to view the complete online Help system
